"I find," he said hurriedly, and in a shaking voice, "that granfather left this money to you. There is the will that has been missing so long. I hope, Laura, that you will be a great deal happier with Mr. Lester than you would have been with me. But he will never love you any better than I do."

Laura was white and speechless with bewilderment.

"I deal the drawing room through one of the open for a single day—always reading, always studying a little between the time of rising up in the morning and laying down at night; this is the way to accumulate a full store-house of knowledge. Finally, are you daily improving in character? Be not discouraged because it is little by little. The best men fall far short of what they themselves would wish to be. It is senething, it is much, if you keep good resolutions better to-day than you did last, better this year than you did last, better this year than you did last year.
